

Pennsylvania's Promise for Children

Because every child is Pennsylvania's future

Sign our declaration!

If we want every child in Pennsylvania to reach their promise, we need to show that every Pennsylvanian supports Pennsylvania's Promise for Children. Show your support for Pennsylvania's young children by signing our simple declaration and encouraging your friends, family and colleagues to do the same. You can also sign the declaration online at www.papromiseforchildren.com.

I believe that quality early learning and child development play a major role in a child's future success in school and in life.

I believe young children learn best when they have proper health and nutrition, a safe and stable family and home life, and activities that stimulate creativity, curiosity, and all the skills they will need to succeed in school and life.

I believe that every child in Pennsylvania deserves access to quality early learning opportunities and that it is the responsibility of every Pennsylvanian to help our children reach their promise.

I support Pennsylvania's Promise for Children because every child is Pennsylvania's future.
